

## Foodhall brings you customized wedding hampers for the most exciting season of the year

November 2013: As the wedding season sets in, Foodhall has come up with some thoughtful gifting ideas. Enjoy choosing from a careful selection of the best products from around the world or feel free to customize to suit your own taste and create your own unique hamper. Make every day of the celebration noteworthy and pamper your guests with the special services and offerings introduced by Foodhall.

Weddings are all about fun, frolic, joy, laughter and new beginnings. True to the spirit of celebration and togetherness, Foodhall has introduced customized wedding hampers that can be tailor made from the scratch to suit your taste and requirement.

These gourmet gift hampers include the best finds from across the globe and have been carefully designed to cater to everyone's tastes. Gift the love of food with Foodhall. Add a touch of class to your wedding card and send exciting hampers to your loved ones inviting them to the most special day of your life or welcome your near and dear ones on the auspicious occasion with these lovely hampers.

That's not all, Foodhall has also created hampers that are sure to delight the happy couple. Let the couple cook up a storm in the kitchen. Pick the specially created Kitchen Appliances hamper by Foodhall. This hamper boasts of some unique internationally acclaimed kitchen appliances exclusively available at Foodhall. If you are looking at a gift that stands out from the crowd and delivers true value, this would be the ideal bet. The best way to celebrate new beginnings is by popping some bubbly. Gift the couple the Limited Edition Champagne Collection launched at Foodhall. You can also choose from a selection of the finest wines handpicked by Foodhall. Add some chic wine or bar accessories and make your own hamper to celebrate the spirit of togetherness. What's more, you can select from the over 60 varieties of cheese from across the world that Foodhall houses and create an exotic cheese platter to compliment the hamper.

### About Foodhall

Launched in May 2011 in Mumbai, Foodhall is a premium lifestyle food destination by Future Group. It targets the well-travelled urban Indian consumers who love to experiment with global cuisine and promises to expose customers to the next level of food retailing.

Currently Foodhall is present in Mumbai, Bengaluru, New Delhi and Pune. This store designed for "foodies" is a one – stop shop for food lovers and offers everything under one roof, right from daily essentials, exotic flavours, secret ingredients to premium kitchen accessories.

Foodhall offers an assortment of fresh and packaged foods and covers international and pan-Indian cuisine. From hass avocados from South America and over 60 varieties of cheese to freshly made authentic breads by in house chefs, Foodhall with its exhaustive range of offering proves to be a one-stop store for the curious and passionate souls who love to treat their taste buds with something new each time.
