Namaste,

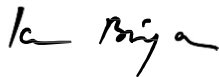

I request your attention to malicious rumors that have been doing rounds and specifically, one whatsapp message portraying a table of names of lenders and debt numbers thereof at Future Group. Any such rumors, messages on the fundamentals or our operational and financial abilities as a Group are **totally baseless and false**.

Apart from the weak market conditions emanating from Corona virus lead fear, these baseless rumors or messages have apparently impacted some of our listed company stocks in the last few days. We are investigating into this and if required shall also be approaching the regulatory authorities for suitable action thereof.

Let me urge you not to pay any attention to any baseless rumors or messages.

I thank all stakeholders across our ecosystem for their continued support and belief in the Group.

Best Regards,

**Kishore Biyani**
